Global Tracks

To make choosing your courses easier, the School of Theatre, Film & Television pre-approved the following list of courses that are directly equivalent to courses at the University of Arizona or will transfer to UArizona as a FTV Department elective. Both direct equivalents and department electives can help you satisfy degree requirements. Keep in mind that course offerings vary each semester and new courses are added often. If you find a course that's not on this list, that's okay! Consulting with your academic advisor is the best way to choose which courses you should take while abroad to ensure your schedule helps you progress toward your degree plan and graduation.
