To make choosing courses easier for you, the Global Studies Department pre-approved the following list of courses to satisfy certain thematic areas in your Global Studies major. Keep in mind that course offerings vary each semester and new courses are added often so if you find a course that’s not on this list, that’s okay! Consulting with your academic advisor is the best way to choose which courses you should take while abroad to ensure your schedule helps you progress toward degree completion. St. Mary's University courses numbered in the 4000s are lower division and courses in the 5000s and 6000s are upper division.
