

Mandatory Testing for Spring 2021

Updated 1/7/2021

The University of Arizona announced mandatory testing for Spring 2021 including:

- **Testing Blitz** from January 6-22 of all dorm residents, students taking Stage 1 in-person classes and students planning to spend time on Main Campus during the semester
- **Weekly Testing** of all dorm residents and students taking Main Campus courses with an in-person component

Details about the mandatory testing program for students on Main Campus are [available online](#) .

Additionally, please note that students returning to Tucson from outside Pima County should adhere to a 7-day self-quarantine regardless of their test result. This allows students to leave their homes only to attend essential classes, attend work, care for family members, or to obtain food, medical care, or medications.
