FROM: International Student Services, University of Arizona
SUBJECT: In Support of Visa and Entry to the U.S. for Spring 2022

The purpose of this letter is to assist University of Arizona international students with obtaining or renewing an F-1 or J-1 visa and/or entering the United States.

We request the following:

1. That all University of Arizona F-1 and J-1 students be granted an expedited visa interview or appointment, if otherwise eligible.
2. That all University of Arizona F-1 and J-1 students be allowed entry to the U.S., if otherwise eligible.

The University of Arizona plans to return most courses at our Main Campus to fully in-person formats in the fall, with some courses offered as flex in-person and online as public safety requires. Classes begin January 12, 2022 for most academic programs, with some having alternate start dates.

We are requesting your assistance in facilitating visa and entry to the U.S. to allow our students to have a successful and timely start to their academic experience at the University of Arizona.

If you require additional information, please contact International Student Services at (520) 621-4627, or by email at intl-dso@email.arizona.edu.
