

## Fees and Services

Below you will find the IFS fee chart, which delineates the fees and outlines services both inclusive and exclusive of the stated fees.

<b>TN Consular/Port of Entry/ Pre-Flight Inspection Facility Processing</b>	<b>TN USCIS Processing</b>	<b>Premium Processing</b>
<b>\$500</b>	<b>\$1,000</b>	<b>\$350</b>

## Frequently Asked Questions

**Q: What fees are required to process a TN non-immigrant employment-based petition?**

- IFS fee
- Visa fee (Mexican citizens applying via consular processing only)
- Customs fee (Canadian citizens applying via port of entry or pre-flight inspection facility processing only)
- [United States Citizenship and Immigration Services \(USCIS\)](#) application fee (Mexican citizens applying within the US and Canadian citizens applying within the US or in place of port of entry processing only)

**Q: Who pays the fees?**

- The IFS fees for a TN petition may be paid by the sponsoring department or the employee.
- The USCIS fees may be paid by the sponsoring department or the employee.
- Premium processing fees may be paid by the sponsoring department or the employee.

**Q: How are IFS and USCIS fees paid?**

- Fees paid to IFS by departments may be paid through UA Financials using Internal Billing (IB).
- Fees paid to USCIS may be paid with a personal check or University check. Checks must be made payable to "U.S. Department of Homeland Security". USCIS fees must remain separate, and should not be combined into a single check.

**Q: What is the account number and object code we should use for Internal Billing?**

- Account number: 2389007
- Object code: 0936
