A. To be completed by UA International Student:

I understand the following:

- Normal processing time is 5 business days upon receipt of completed form.
- To be eligible for concurrent enrollment, you must remain full-time at the UA for the entire semester (at least 12 units for undergrads). Dropping below full-time at the UA without first obtaining approval from an ISS advisor may jeopardize your status, and will make you ineligible for concurrent enrollment in the future.
- If this is your final semester you cannot take Pima classes that end beyond the last day of the semester at UA.
- If you have been approved for a Full-Time Enrollment Exemption in your final semester you are NOT eligible for Concurrent Enrollment.
- International students cannot attend Pima classes offered at Davis-Monthan Air Force Base.
- Enrollment in Chemistry, Biology, Physics, Reading, Writing and Math require an unofficial transcript to be submitted to Pima West Campus.
- If this is your first time enrolling at Pima, submit the following to Pima West Campus: Passport, I-20, I-94, Pima Application Form and $25 Pima admission fee.

I understand that I must be enrolled in at least 12 units at the University of Arizona every semester. I authorize Pima Community College to release my unofficial transcript to ISS. I understand that I still need to work with the UA Registrar’s Office to transfer my Pima credits to my UA program. I also understand that information on this form will be released to Pima.
