IMPORTANT

MANDATORY STUDENT HEALTH INSURANCE REQUIREMENT

The University of Arizona **mandates** that all international students on non-immigrant visas (degree and non-degree seeking, resident or non-resident tuition) be enrolled in the Student Health Insurance Plan, unless one qualifies for an exemption. You will be automatically enrolled and billed the appropriate premium through the UA Bursar’s office in future semesters (each fall & spring) within 3 business days of showing registration units.

January 23, 2019 is the last day of the spring open enrollment. This is the **last day** to arrange for the installment plan, or request an exemption from being enrolled for the Student Health Insurance Plan.

To review benefits or arrange to do installments, please visit <http://www.health.arizona.edu/>. At the top of the screen select **“Fees & Insurance”** scroll down and select **“Student Health Insurance”** link.

To view exemption instructions, select **“Fees & Insurance”**, scroll down and select **“International Student”**, then select the **“Exemptions”** link.
