Dear Student,

We want you to have the opportunity to choose how you will move forward from here:

- If you would prefer to move to an alternate program in July or later:
 - Let your study abroad coordinator know that you would like to move your application to a July start program OR
 - Let your study abroad coordinator know that you would like to defer your application to a future term
- If you have already paid the application fee, this may be refunded or applied to an upcoming term
- If you plan to take main campus classes this summer please note that registration begins on April 6th

Your decision will need to be made before the end of the business day on March 25th.

Stay safe and Bear Down!
